All your (including Video-linked participants) questions/confusions are guaranteed to be answered during the class by Subrata.
- II. Emphasis on **Generals** (Physical and/or Emotional) gives you the correct prescription. Complete the symptoms with modalities + Generals + Aetiology and cover the surface miasm = Simple straight forward non-confusing classical approach-Practical demonstration in this Summer School.
- III. Observe rapid & permanent relief of drug dependant pathologies: 5 days of **live cases** in the Allen Teaching Clinic of U.K & India; **to develop your confidence**. Also, practical demonstration of Classical & Practical methodology (symptoms to value in a case and what to ignore). **Observe how simple Homoeopathy is effective** in varieties of advanced pathologies through 2 days of

Live video-link and 2 days of recorded video cases of Subrata's Indian consulting rooms.

- IV. During Case discussions: Subrata reflects the Chain of Medicines may be needed for possible use in the future to finish the case; e.g. in Arthritis cases: Rhus Tox may be followed by Calcarea fluor and then Radium Bromide or Medorrhinum to finish the case. You don't get this information anywhere else! Also Subrata shares his thought process of how he identifies the remedy in a case from his Materia Medica understanding.
- V. ***If you are confused with different methodologies***, see practical demonstration of how Simple Homoeopathy works. ***Be a confident prescriber*** with time tested, century old scientific Methodology. ***This practical approach for present drug dependant world is aimed to give you and your patient the confidence that homoeopathy is working within 1st or 2nd follow-up.***
